Dear Friends and Family,

It's that time of year again for the 3rd installment of our Crabbin For A Cure Benefit at Mud City Crab House in Manahawkin. We had an incredible event last year. We were humbled and overwhelmed by the turnout. Thanks to the generosity of our host and staff at Mud City Crab House, our Sponsors, Volunteers and Guests we were able to raise **\$28,078.99** for our patients and families. We are also cognizant that last year's event was almost immediately followed by one of the worst natural disasters to hit New Jersey and specifically our community. We have stood with our community during the rebuild and have been able to assist 74 patients so far this year with 50% of them being victims of Hurricane Sandy on top of having to deal with a cancer diagnosis. This is only made possible because of you, our tremendous friends and supporters and we cannot thank you enough.

We just recently got together again to pick a date for Crabbin' 2013 and it will take place on Wednesday October 23rd. We have already been getting reservation requests so please act swiftly to reserve your ticket and sponsorships for this year's event. Once again, we will be hosting two seatings in the dining room at Mud City Crab House with each seating accommodating approximately 75 people. We will have a 5:30pm seating like last year but moved up our second seating to 8:00pm this year. The meal will consist of family style appetizers, soup or salad course, a crab cake dinner along with a non-seafood option, and dessert. The evening will consist of dinner, wine & beer cash bar, auction and live music on the patio in between seatings. Tickets will be available at Mud City for \$50.00/ticket.

Once again please help us reach our goal by becoming a platinum, gold, silver sponsor or by making a donation of auction items. This year we are offering 4 gold sponsorships available at \$750.00 each and 6 silver sponsorships available at \$500.00 each. T-shirt sponsors will be offered at \$150 each. Attached is a sponsorship form that describes each in more detail.

Sincerely,
David Caldarella
