Dr. John Sample,

We are excited to announce that the 24<sup>th</sup> Annual Southern Ocean Medical Center Foundation Invitational charitable golf outing will take place at our new location Stockton Seaview Hotel & Golf Club in Galloway, on Wednesday, June 25, 2014. For over two decades, this tournament has been an outstanding display of community spirit in support of an incredible institution who, throughout its history, has remained committed to the wellness of our residents and guests.

The Golf Invitational will feature a 12:30 p.m. shotgun start, a \$50 gift card to the Pro Shop as our player gift, as well as a 50/50 cash raffle and a Cocktail and Awards Reception dinner featuring a silent auction. We encourage you to take advantage of this opportunity and join us for a beautiful round of golf on one of the area’s most enjoyable courses while supporting Southern Ocean Medical Center.

As a new tradition this year, we are thrilled to present the Community Health & Wellness Award! This award is designed to recognize an individual or an organization who has exhibited an exemplary commitment to the health and wellness of the community by addressing a service or program that brings health, healing or hope to those impacted by a medical condition. We are pleased to announce that **David's Dream and Believe Foundation and Founder David Caldarella** is our 2014 recipient. We will honor David for his efforts at the Cocktail and Awards Reception the night of the event.

Also, new this year we are pleased to offer a mini tennis tournament where players will enjoy a round of tennis, refreshments, a \$20 gift card to the Pro Shop as a player gift and then will join all event participants at the evening Cocktail and Awards Reception.

As we continue to celebrate the recent expansion of the Emergency Department at Southern Ocean Medical Center, the phrase “Setting Sail for Excellence in Emergency Care” was a fitting introduction to what we now know is an ongoing odyssey to bring the very best in health services to the residents and visitors to our region. We want to assure you that in 2014, “The Journey Continues – Towards Excellence in Patient Care” is not just a clever phrase – it is our promise. With your support, we will be focusing our efforts at the Foundation to help generate the financial support necessary to establish excellence in key areas of patient care, specifically Cardiac, Cancer, Stroke, Bariatric and Pediatric services.

On behalf of the 2014 Invitational Committee, I am asking you to support Southern Ocean Medical Center by participating as a sponsor, a golfer, a tennis player or as a reception attendee. It promises to be one of the region’s premier golf outings.

For more information, please call Jaclyn Lang at the Southern Ocean Medical Center Foundation at 732.751.5101.

Thank you in advance for your support.

Sincerely,

Anne Nachman, Esq.
